# FOR OUR SENIORS, WITH LOVE ❤️

In 2014, Singapore-based social enterprise ACE Seniors put forth an ambitious goal: **to create a national movement of bringing National Day celebrations to 60 nursing homes and community hospitals by 2030.**

On select days every August, ordinary spaces come alive with the sights and sounds of a carnival - **National Day reimagined for our seniors.**

From a single beneficiary to 31 in 2021 despite the pandemic, joined us in this national movement to **bring Singapore's birthday celebrations to our Pioneer Generation!**

## THIS 2022, WE ARE IMPACTING

### 10,034 SENIORS

# HOW YOU CAN HELP

As we reach out to more homes and seniors each year, we rely on donations from individuals and corporations alike for the continued success of this annual outreach. **This year, your generous sponsorship will help cover the following:**

- Celebration packs distributed to each resident of the sponsored home(s)
- Bento meal for each resident of the sponsored home(s)
- Birthday cake to each beneficiary home(s)

**The employees from the sponsoring corporate will be roped in as volunteers to help with the following:**

- Assisting with packing of the items into the Goodie Bags for the sponsored home(s) (in Jul)
- Delivery of meals and gifts on the actual day of celebrations (in Aug)
- Visit / interact with seniors in beneficiary home(s) (subjected to final programme details)

*With your kind support, we can shine love and light for our pioneer residents based in these homes!*
