Celebrating an Inclusive Singapore

National Day Celebrations in Nursing Homes and Community Hospitals

Every year, **more than 90,000 seniors** are unable to attend the National Day Parade or be at home with their families to enjoy the National Day celebration. **This 2018, YOU can make a difference!**

Since 2014, with the help of volunteers from all walks of life, **ACE Seniors** has brought joyous celebrations to over **2150 residents and staff** across **10 nursing homes and community hospitals!**

This August, we will once again bring these joyous celebrations to over **15 nursing homes and community hospitals!** Watch as these venues transform into daytime carnivals filled with delicious food and classic games of yesteryears. Also present is a photobooth, where participants will be able to take back a personalised memory of themselves celebrating National Day with their loved ones, volunteers, and staff!

We are looking for volunteers to join us and be part of these memorable celebrations!

*See next page for locations and dates
